Education

Bachelor's Degree in Math from Manchester University

Working Experience

None

Letter of motivation

“...as Mr. Umbridge has taught me through the years of our acquaintance being a teacher is not a choice, but a vocation, something few elected are called to do. I am happy to say that I am one of those people. My drive to better the results of students is unparalleled and I know that the pupil will benefice from my strict no-nonsense approach to math and logic more in general. I know that...”

Hobbies: Fishing, Hunting, Computers
